## Every Youth Deserves TRAINED Adult Leaders

BALOO consists of two components: online and hands-on. You'll need to complete both — in order — to qualify as a “Trained” Cub Scout outdoor leader and receive the BALOO recognition patch.

1. **Online component:** The online portion of BALOO is available 24/7 on the BSA Learn Center. Just log in to [My.Scouting.org](http://My.Scouting.org) to begin. The goal of the online portion is to make the best use of time to allow leaders to experience as much as possible during the practical hands-on training.
2. **Practical, hands-on component:** This 1.5-day course is designed as an introduction to the Cub Scout outdoor program for leaders interested in adding a camping component to their Pack activities.

Bring your own tent or you can RSVP ([rockatillion1@yahoo.com](mailto:rockatillion1@yahoo.com)) to reserve a BSA style canvas wall tent with cot.

Meals will be provided.

Bring your own snacks, note-taking necessities, and a camp chair.

Remember LEAVE NO TRACE: bring the appropriate camp gear, water bottle, drinking cup and mess kit.

This is an adult leaders' training; we ask that children do not attend this event to help foster a focused learning environment for all leaders in attendance.
